

Independent Tour - Packages

Tours along the Romantic Road

Daily departure from May 2nd – October 12th

Our so-called "EB-Tours" are pre-arranged tour packages for individual travellers. The base for this package is our regular coach service on the Romantic Road and as well as the Hamburg Coach Line as main means of transportation, that we combine with further features like transfers, hotel accommodation and sightseeing programs.

Additionally, we have featured one-day excursions to various destinations out of Frankfurt or Munich. Besides the transportation, the packages include city tours, lunches and more. Since our coach line is operating daily from May through mid-October, we are able to provide our tour packages on a daily basis. The departures of our coaches are always guaranteed.

Our EB-Tours make travelling flexible and easy. The tours can be started and ended at different points along the route of our coaches. Moreover, you can always request additional overnight stays at the places of your accommodation or even along the route for another overnight break. Furthermore we do offer pre- and post tour accommodation in Frankfurt and Munich. Please ask for our special rates or take a look at our website: www.touring.de (Incoming Germany).

Our Incoming department provides also a large range of other services like: Guided Coach Tours, Group Travel, City Packages and Coach-/Limousine-Hire.
